

COVID Safety Protocol

Thank you for supporting the Anthem Go Outside Festival and Project Outside. 100% of the benefit concert proceeds go to build a better outdoor community throughout our region. Our goal this year is to raise \$100,000 and if we can do a full sell out both nights we could double that! To learn how the money will be spent go to roanokeoutside.com/project-outside/

Since this event was created to benefit our community we want to make sure we are doing everything in our power to keep attendees safe. By showing up to our event you have already confirmed you will follow ALL safety protocols below. **Those who REFUSE to follow protocols will be asked to leave.**

TICKET HOLDER AGREEMENT & SAFETY PROTOCOL

- As soon as you arrive in your car, we ask you mask up and stay physically distanced from anyone not in your party. Once you are escorted to your pod you may remove your mask.
- Face coverings are required in all areas except your party pod (including entry line).
- Attendees will be assigned arrival times which allows us to minimize congestion at the entrance gate. Please stay within those windows.
- Please arrive together with your party and stay with your party through the screening and check-in process.
- As you approach the event entrance there will be markers down the sidewalk to keep parties a minimum of ten feet apart. Stay distanced from anyone not in your party as you enter through the gates.
- Only the six people will be allowed in one party pod.
- You may not switch party pod members. You will receive a color-coded wristband to ensure you are with the original party you arrived with.
- You will be sent a pre-screening form 48 hours prior to your arrival. Please fill out the form and have the confirmation ready to show on your phone (or print out) upon entry.
- The entrance will feature an ocular temperature scan. If your temperature is above 100.4 degrees you will be pulled from the line and allowed to cool down. You will then be tested once more. If you still have a temperature you will be asked to leave the event grounds. Partial refunds may be available.
- Ushers will lead groups directly to their boxes and will reiterate rules and regulations.
- Attendees are encouraged to pre-order beer tickets in advance so they will be waiting in your check-in packets and face-to-face purchases can be minimized.
- The only time you'll need to leave your pod will be to use the porta potty. Please follow mask protocol and physical distancing when waiting in line.
- Exiting the concert ground will be done in waves with ushers allowing each plot to exit (while wearing masks) through multiple gaps in the fencing.
